## Markham Toronto Cricket League

### President Message

Dear fellow MTCL members, friends, families and guests,

On behalf of the Markham Toronto Cricket League, I would like to extend a very warm welcome to all of you to our 22nd annual awards night. We are all here to celebrate the success of each award winning individuals and the success of MTCL along with their friends and family.

First of all, I would like to take this opportunity to express my sincere thanks to everyone for giving me the honour to lead the MTCL to a successful year. I would also like to thank and congratulate my fellow executive committee and I have put in a lot of hard work to overcome many hurdles that were thrown our way from finding grounds to finishing up the last game. I am very proud and honoured to be part of this organization and proud of the individuals who stepped up and showed themselves as leaders during tough times. I wish to thank all of you for supporting the executive committee and me to complete this year a successful and a memorable one.

This season had been both amazing one of the turning point in the history of MTCL. I would like to congratulate **Aravinthan Suntharalingam of YoungStars Cricket Club** for his Most Valuable Player award along with all other individual awards winners for their commitment and hard work toward success. These individuals are great competitors; they have shown great leadership skills and sportsmanship both on and off field. This season had produced a lot of record breaking and memorable moments. I would like to congratulate **Cougars CC** for their outstanding performance during this season & winning Jeysuresh Super League Challenge Trophy for 2 consecutives years. Also, congratulations to all the teams for their hard fought effort.

As usual, super league presented every team with an opportunity to play minimum 15 games and brought many young talents to spotlight. We were able to raise the bar in standard, fairness and quality of cricket being played by introducing players suspensions. I am neither proud nor unhappy by our decisions to suspend players as it is a necessary rule that was long due. To those who were banned or suspended during the season, I would like to thank you directly for obliging with the committee as we had full cooperation.

We have tried our best to make playing cricket safe, fair and enjoyable for everyone. On behalf of the committee, I would like to thank each and every one of you for maintaining sportsmanship both on and off filed. Our committee worked very hard in order to make playing cricket safe, fair and enjoyable for everyone. I was dedicated to doing everyone possible to justify the confidence you have shown on me. I thank you all from the bottom of my heart for the confidence you have shown. I look forward to continuing to contribute in various ways and strongly encourage everyone here today to come forward and help make the association even stronger. It has been an honour to serve as your President and I thank you again for the enriching opportunity.

Wishing you all the best of luck for 2017 Season!

**Duton Fernando**

President

**SRIKANTH NADARAJAH**

When we first met **SRIKANTH**, we noticed his height and his toughness and nicknamed him "**COMMANDO**". As we got to know him, we saw him as the soft, simple, and practical man he was, who always had a nice smile on his face.

He'll go to teams and talk tough, but within a couple of minutes, he'll tell them 'adai thambihala! Poi vilayaandungada' (அட தம்பிகள் போய் விசுவாசமாக), referring to everyone as either an "**ANNA**" OR "**THAMBI**". His kindness and friendliness won everyone over, and everyone quickly saw him as a major pillar of our Association.

He lived in the first Tamil Co-op building in Canada and formed the team "Tamil Co-op Cricket Club" with players from that building & captained it. He's a bowler, a mentor and a trainer for the well-disciplined team.

Officially, he held Sports Secretary & Secretary positions from 1998 to 2004, but in reality he ran the entire Association. During meetings, he never took any notes, but at the grounds, he'll remember everything.

He came to the Don Mills grounds by subway & bus, to organize & umpire numerous tournaments. No one ever questioned his umpiring judgement and he was one of the best umpires this Association has ever had. He also won an Appreciation Award for this dedication. He brought cheerfulness & liveliness to the grounds & games.

Srikanth is also very attached to our Tamil traditions. His is the first organizer to introduce "Pon Aadai" (பொன் ஆடை) ceremony at our Awards Night. His dedication to sports still continues today. He is a commentator at Geethavaani & FM 101.5 for major Cricket games.

Srikanth Nadarajah's dedication to this association's growth is tremendous. MTCL is so proud to induct him into the Hall of Fame.
